Ask your Members of the U.S. Congress to Support Additional COVID Relief Legislation

A bipartisan, bicameral coalition of lawmakers in the U.S. Congress announced the framework for a \$908 billion targeted, emergency COVID aid package. The package contains funding for many areas critical to our schools including:

- New aid for public schools
- New aid for state and local governments
- Additional funding for child nutrition and school meal programs
- Additional funding for broadband internet and digital infrastructure

Celebrating the 10th Anniversary of HHFKA

December 13, 2020, marked the 10th anniversary of President Obama's signing of the Healthy, Hunger-Free Kids Act (HHFKA) into law. Over the last decade, SNAPA members have done remarkable work implementing HHFKA by expanding access to healthy school meals and improving the nutrition, quality and appeal of those meals for students across the state. Thank you for all you do!
