## National School Breakfast Week is just around the corner!

March 2<sup>nd</sup> -6<sup>th</sup>, 2020

School Breakfast is out of this  
world!

### What is National School Breakfast Week?

It's a weeklong celebration of the National School Breakfast Program, permanently established in 1975 by an act of Congress. Schools across the country celebrate with special menu items, events and student activities. NSBW is the perfect time to bring attention to your breakfast program and set a goal to increase participation.

Capitalize on NSBW with SNA tools and resources, including social media tips to help you promote your program to parents and students!

### Why participate in NSBW?

According to a 2015 survey of SNA members, 96% said that their student participation increases during NSBW. Recognizing NSBW in your district or in your cafeteria helps you:

Increase student participation

- Spread the message to parents that you're serving healthy and tasty breakfasts at school
- Earn media coverage from local papers, TV stations, and bloggers
- Connect with teachers and administrators at your school or in your district to spread the word that school breakfasts are healthy and delicious
