

SCHOOL NUTRITION ASSOCIATION OF PENNSYLVANIA

2016 ~ 2017 STATE-ONLY MEMBERSHIP APPLICATION

Since 1955, SNAPa has been the “premier professional association for all school nutrition employees in Pennsylvania” and if you are employed by a school district in Pennsylvania as a “line staff employee” ... not as a manager, supervisor or director, you may join SNAPa for FREE if your director and all managers and supervisors join SNA. Free membership does not currently extend to retired employees or students.

If your director and supervisors/managers choose not to join SNA, you may still join SNAPa as a Line Staff Employee, Food Service Employee, Hourly Worker, Retired Employee or as a Student for \$10 annually.

If you are a director, supervisor or manager at any level, or perform those functions, you are required to join both SNAPa and the School Nutrition Association at the national level. Please complete the combined SNA/SNAPa Membership Application that is available on both the SNAPa and SNA website.

You may complete this application and mail it to SNAPa, fax it to SNAPa, or complete it on-line at www.SNAPa.org.
